

§ 32.41 INDEXING AND MAINTENANCE REQUIREMENTS.

At the end of each month, all ordinances adopted by the city shall be indexed and maintained by the City Clerk/Treasurer in the following manner:

(A) The city budget, appropriations of money, and tax levies shall be maintained and indexed so that each fiscal year is kept separate from other years.

(B) All other city ordinances shall be kept in the minute book or an ordinance book in the order adopted and maintained in this code of ordinances.
