

§ 33.35 ETHICS.

All provisions of KRS 45A.365 through 45A.455 shall be followed by city elected and appointed officials and employees of the city government. All are prohibited from participating in any proceeding or application of a contract of the government in which he or she has a personal interest or from receiving any gratuity or kickback from a contractor/vendor. It is also considered unethical to use confidential information for personal gain.
