

**§ 50.09 COLLECTION OF CERTAIN SOLID WASTE MATERIAL.**

(A) The contractor agrees to collect any material deemed non-hazardous and which is considered usual and normal solid waste material that is placed inside the residential and/or commercial containers or dumpsters.

(B) The contractor is authorized to negotiate directly with any residential or commercial customer for collection and disposal of larger items of solid waste not customarily placed in refuse containers.

(Ord. 93-1 830.2, passed 7-26-93)
