

CITY OF SMITHS GROVE
SMITHS GROVE, KY. 42171

Minutes of the meeting of the Board of Trustees, Tuesday, April 1, 1969.

The Board met at The American National Bank and Trust Company with one member, Trustee Gene Blackwell, absent.

1. Trustee Joe Lowe made a motion that the meeting time be changed to 7:30. Trustee Powell seconded the motion. There were no dissenting votes.
2. Mr. Blue reported things are going well at the water system. He has had some complaints regarding his hours for collection but this is being worked out. He inquired as to how long to go before cut-off on past due accounts. It was the general opinion that three months was the dead line. The Board commended Mr. Blue on doing a good job.
3. Trustee Joe Lowe reported he has been keeping a close watch on the cemetery. Citizens have been dumping debris on the east side of the south gate. This will need to be bulldozed over. Trustee Lowe reported Marshall has been cleaning up the leaves and limbs. Chairman Melton reminded him he will need to keep on Marshall as he has other jobs. Dr. Hill reported that Jim Cullen patrols the cemetery twice each night.
4. Minutes of the previous meeting were read and approved.
5. Trustee Hill inquired as to the availability of a file cabinet and a 3x5 cabinet for Jim Cullen. Chairman Melton says he has these for Mr. Cullen. All he has to do is pick them up.
6. The Board of Adjustments is being picked. It is believed that Mr. Thompson, James Hadley, Noel Vincent and Graham Miller will serve. Chairman Melton will contact Stanley Rice this week.
7. Trustee Hill requested the return of the literature on the Board of Adjustments. Chairman Melton told him to pick this up on Wednesday morning.
8. Trustee Powell reported that Highland Avenue, Sun Street and Kentucky Streets are badly in need of blacktopping. An engineer is to be consulted regarding the cost of the street as is and also curb to curb cost before the citizens are contacted.
9. Trustee Hill inquired as to whether the fence is to be restored at the water works. Trustee Melton said they hoped to have this done and possibly make a little park there.
10. Mr. Blue asked how long to keep the stubs of payment of water bills. It was decided that one year would be sufficient.
11. There being no further business the meeting adjourned until the next regularly scheduled meeting.
