

City Commission meeting - August 25, 1986 - City Hall - 7:00 p.m.

Mayor Gilley called the meeting to order at 7:00 p.m. with Commissioners Smith and Bryce in attendance.

The Mayor turned the floor over to Mr. Lindsey of Lindsey Sanitation so he could address the commission. Mr. Lindsey said he had been doing business in Smiths Grove for over 19 years and had a good relationship with us. He stated he had been picking up the city's trash free of charge in lieu of an occupational license. Now there are two other firms, Commercial Sanitation and CBS Sanitation who are servicing residence within the city. He said he didn't feel it was fair for them to be able to work this area and not do anything for the privilege. Mayor Gilley said the prior Mayor had checked into the possibility of having a franchise for the refuse companies and at that time it wasn't possible for a sixth class city to do so. He ask the clerk to check into this a report back at the Sept. meeting. She agreed to do so.
