Police:

Commissioner Martin read the monthly police report. There was a brief discussion on whether or not to hire another officer. It was decided, at least for now, that the city would not actively recruit for an officer but if we became aware of one that would fit the city's needs, we would consider hiring one. Chief Sneed has been invited to attend an Executive Development Training class in Bowling Green, on September 21 - 22. There was a brief discussion on what to do concerning the police car that we took bids on and has never been picked up.

Public Safety, Health and Welfare:

Commissioner Hardy gave a report on the library's grand re-opening. Approximately 70 -75 people attended.

Commissioner Howard stated that the city needs to keep our current maintenance person for the cemetery as long as we could as he is doing a great job. Mayor McCay said there was a report of a small sinkhole on one of the drives in the cemetery.

4. Committee reports:

Gerald Brown stated there was nothing to report at this time.

Aging Services:

Dr. James Hill reported that the hot weather has been bad on the senior citizens. There is a waiting list on almost all products and services available to the seniors.

Beautification:

There was nothing to report at this time. It was brought up that something had to be done about the lot by Greenup's. Commissioner Cooke said he had already talked to the city clerk about writing a letter. There was a brief discussion about the apparent abandoned trailer. Mayor McCay said there really wasn't anything we could do other than to try to get the health department or fire department to declare that it is a hazard. It was brought up about the lot at the end of Main Street because it is so overgrown. The city can't do anything because it is zoned agriculture.

Vision:

Mayor McCay read the monthly report in John Wayne Smith's absence.
