

CITY OF SMITHS GROVE

SMITHS GROVE, KY. 42171

The Board of Trustees of the City of Smiths Grove met on August 3, 1971, at the American National Bank & Trust Company building in Smiths Grove with all active members present.

A discussion was held regarding the water line extended to the Northside Rest Area on Interstate 65. It was reported to the Mayor that it has only 20 lbs. pressure and requires 40 lbs. The last reading at our water plant showed 62 lbs pressure; however, our maintenance employees are to check the pressure at the Rest Area with our gauge to see if they are correct.

Nightwatchman, David McKinney, has made several arrest for speeding. He is still a Special Deputy for the County. Wayne Constant is to be contacted in regards to the co-operation by the County Sheriff's department and our night watchman. It has been established that the County will also help patrol the new park. Trustee McGuffey is waiting for a report on a lease from Motorola on a radio for McKinney.

Bill Pierce representing the Fire Department reported that the alarm at Hardy & Son is not working. Trustee McGuffey is to contact Mr. Hardy about moving the alarm to a pole outside the home of Bill Pierce.

No progress has been made regarding the interchange at I-65.

As there was no further business, the meeting was adjourned.

Dean Webb, City Clerk

T.C.Melton, Chairman of the Board
