Minutes of the meeting of the Board of Trustees, Tuesday, December 7, 1954.

The Board met as usual in the Director's Room at the Deposit Bank at 7:00 P.M., all members being present. After being called to order the following business was transacted:

1. The Clerk presented a bill for 9,950 gallons of road oil at \$1,286.50 from the State Highway Department which was used on the recent street improvement program. After consideration was given the bill a motion was made by Mr. Denton, seconded by Mrs. Stone, that City send check to Kentucky Highway Department for same. The Clerk was directed accordingly.

2. Mr. Horace Marr appeared in argument over his 1951 Tax bill. The Clerk presented copies of receipts showing that Marr Bros. had paid licenses and tax on their pool room but had not paid tax on the building nor had Mr. Marr paid his personal tax on real estate and auto. After discussion Mr. Marr gave City check for \$32.25 which was the amount of tax in question.

3. Clerk was directed to see if Garland Marr or Priddy is going to fix door on Fire Station. The spring cable is broken and should be repaired immediately.

4. Mr. Tarter brought up the question "Do farmer's have to have a peddler's license to sell their products within the City of Smiths Grove?". According to the interpretation of the Board if it is home grown he does not, however the Board of Health might disapprove of meat sales.

5. Caretaker at Cemetery - Mr. Denton will advise Marshall to clean leaves and cut another dead tree which he failed to get before.

6. Check Ford Thomas about water leak between Ice cream place and Beard Insurance Agency.

There being no further business the Board adjourned until its next regularly scheduled meeting in January, 1955.

These minutes have been written into the records this 7th day of December, 1954.

Lucian E. Flora,
Clerk.
