MINUTES

SPECIAL GUEST - JOHN MATHANEY

Mayor Gilley called the meeting to order with all Commissioners present with the exception of Commissioner Martin

Mr. John Mathaney said that he had gone through the City with an Engineer to break this project down for the sidewalks at \$17.00 a foot only the one side of what is marked on the map of course is what will have new sidewalks.

Streets that are in this application includes as follows:

Vincent Street, Highland Ave/ Lawson St, Kirby St, Sunset St, First St, Second St, College St, First St, Second St, College St, Fifth St, Kentucky St, Sixth St, (section 1 Sixth St, (section 2) Beeler Ave, Smiths Grove-Scottsville Road, Hedger St,
The cost will be not to exceed \$ 222,000 the local share at twenty- percent (.20) share will not to exceed 44,000.

Commissioner Pierce had asked what about Laurel Ave, Highland back to Webb Ave Mr. Methaney had explained that would have to be up to you all, changes can be made once we get this all figured out that we can amend changes Commissioner Watt said he had heard from several citizen as well of their concern on Webb as well Mayor Gilley said well we can go ahead and add it in and if we have to drop anything from the project we will just go from there.

Commissioner Watt had asked about how long this process will take Mr. Mathaney said that he will go ahead and submit the application on February 17, 2004

It would not get looked at until this fall we are looking at the spring of 2005

Commissioner Watt asked Commissioner Cooke if he thought Webb should be included as well, Commissioner Cooke said yes if we had to drop anything we will probable have to drop that one

Mayor Gilled called the meeting adjourned at 8:00 am.
