Street Report

Commissioner Varner said he has nothing to report at this time

Police Report

Commissioner Watt said he has no Police Report to read because the City has not had a Police Officer. He also would like to clear something up that had been stated on WBKO a couple of weeks ago, there had been a young lady that said the City had to seek help from Glasgow Police Department when needed, but that was not the truth. The City has the County and State patrolling, and the City is really getting a lot more patrol then we really ever had.

Commissioner Martin said the mowing is really going good out there, have not had no complaints. He also would like to add the City's web site has really been getting a lot of hits on the site. This month we got 700 at least.

Public Safety, Health & Welfare Report

Commissioner Pierce said he had meet with Nurse Bobby Gilbert and together they are wanting to try to put together a Health Fair for the citizens here in Smiths Grove, really needing volunteers

New Business
Cemetery (Repair Roads)

Mayor Gilley said that we do not need to advertise the work done out at the cemetery if the contract stays under \$20,000, if anyone knows someone we can have them come out to get a bid.
