

CITY OF SMITHS GROVE  
SMITHS GROVE, KENTUCKY

Minutes of the meeting of the Board of Trustees on Monday, July 3, 1967.

Due to the 4th of July Holiday, the Board met on July 3 with one member, Trustee William Powell absent.

Lawyer Charles English came with the ordinances adopting the proposed rates and the ordinance adopting the provisions for the bond sale. Trustee Rasdall made a motion that these ordinances be adopted. Trustee Lowe seconded the motion. There were no dissenting votes. Before the motion was made, the ordinances were read in their entirety.

Visitors at the meeting were Dr. James Hill, Harold B. McGuffey, Bryon Curtis and Richard Kirby. Chairman Melton introduced Mr. Hill who in turn asked Mr. McGuffey to advise the Board as to their appearance. Mr. McGuffey stated they were appearing before the Board as private citizens interested in aiding in any way possible for better police protection for the city. Speeding and reckless driving were the main topics of discussion. A general discussion was held and it was decided to contact Lawrence Stiffey who at present is a constable, equip him with a light and see if he is interested. In the meantime Mr. Melton will contact Jim Cullen who has been mentioned as a possible policeman and night watchman. Trustee Rasdall stated that as a business man he felt all business places would be willing to pay for protection. Mr. McGuffey had contacted Captain Millard Sharp of the State Police and he advised if he had a man available he would send him here if he received a call. Magistrate Richard Kirby stated he would help in any way possible. It had been suggested that he might be of aid in securing stop signs and speed limit signs. Both are badly needed.

Chairman Melton stated the water system is nearing completion and the factory is supposed to start training in July.

There being no further business, the meeting adjourned until the next regularly scheduled meeting.

Gertie Bybee, Clerk

T. C. Melton, Chairman
