

CITY OF SMITHS GROVE  
SMITHS GROVE, KENTUCKY

Minutes of the meeting of the Board of Trustees July 5, 1966

The Board met at the American National Bank and Trust Company with one member, Trustee L. Carl Rasdall absent.

Mr. Markham, Mr. Sturdivant, Mr. Hawkins and Mr. Webb of the Kentucky Division of Forestry appeared before the Board to ask permission to place a television tower atop the water tank. They have an option on a building for storage equipment. They will pay the City \$25 a year rental. They answered questions and assured the Board there would be very little television disturbance and no lightning danger.

2. Mrs. Jordan gave the cemetery report. Trustee Lowe had studied the deed and found that lots are available on the East Side of Beeler Avenue. It was thought that David Watkins would get this surveyed for us. The Chapel is progressing nicely and it was suggested that the driveways be gravelled and graded before the dedication of the Chapel. Trustee Joe Lowe said he had a grader blade on his tractor and would do this work.

3. a lengthy discussion was held on the request of the Highway Department for City Water to be furnished for the Rest Area on the English Knob. It was thought they would use 3,000 gallons wach day. It was thought that if the State would furnish the line to the City Limits and allow the City to have customers on the line, this might work out. This will be disussed again at the next meeting.

4. Trustee Lowe reported that Mitchell Brothers had asked for permission to close an alley or street on the lot which now belongs to Ford Thomas and adjoins their lot. It was the opinion of the Board that this street or alley should be sold to Mr. Thomas and not given away.

5. Clerk was asked to write Mr. Sturdivant of the Forestry Divison for a copy of the Easement Agreement before a decision would be made on their request.

There being no further business the meeting adjourned until the next regularly scheduled meeting.

Gertie Bybee, Clerk

T. C. Melton, Mayor
