5. Other

Maybelle Bybee, Gordon & Ruth Cayton and Mr. Russell, representing former employees of Turner Industries Inc. addressed the commission regarding the problems with Mr. Bobby Turner. They felt the city should know of these problems since Mr. Turner had told the commission he intended to employ Smiths Grove citizens. Mr. Russell said at the time Mr. Turner took over Kane Mfg. there were 12 to 15 people from the Smiths Grove city limits working; now there are 1 to 2 left. Comm. Garmom wondered if it would be of any service to them for the commissioners along with Mayor Milliken to talk with Mr. Turner. All agreed it would not help, as Mr. Turner would neither be fair or honest with them. Mrs. Bybee was having considerable problems with her unemployment because Mr. Turner had protested it, Mrs. Bybee states, on untruths. After reviewing the

documents Mrs. Bybee had concerning her appeal for her unemployment, it was discovered the dates were inaccurate. She ask the commission if they could write a letter to the Dept. of Human Resources stating that she could not have been in his employment as of January 23, 1984, as she was still working for Kane Mfg. It was decided to approach Mayor Milliken about this letter, and see what could be accomplished to assist Mrs. Bybee.

6. Old Business

Comm. Jackson reported he had graveled numerous alleys throughout the city with the \$500.00 appropriated to him for this purpose. He added there were still several more that needed attention. It was decided to wait until the bill from Warren County Stone Co. came to see how much each load was, before attempting to repair those that still needed attention.

With no further business to be presented, a motion to adjourn was heard.
