SMITHS GROVE, KENTUCY

Minutes of the meeting of the Board of Trustees, Tuesday, March 8, 1960.

The Board met at 7:15 P.M. in the American National Bank and Trust Company with one member, Trustee Joe Lowe, absent.

Minutes of the previous meeting were read and approved.

2. Police report - Collected \$20 from B. M. Smith on fine and issued 3 parking tickets. Mr. Cassady presented a summons concerning the Jewel T case. Clerk is to forward this to Attorney Winkenhofer.

3. Mr. White reported on the annexation question and said he had investigated some deeds for the outlying districts. The County Clerk is assisting him in this investigation and he will have another report at the next meeting. Chairman Smith commented that he thought Mr. White was doing an excellent job and that perhaps in checking these old deeds they might uncover some other valuable information.

4. The cemetery committee was not present but the weather has been so bad they have been unable to go to the cemetery to make any surveys.

5. Clerk presented some facts regarding the division of the clerk's salary. As it now stands the City pays \$50 and the Cemetery pays \$25. Clerk was of the opinion the City should bear more of this burden. After discussion, Trustee Jordan made a motion that the City pay \$65 and the Cemetery pay \$10. Trustee Madison seconded the motion. There were no dissenting votes.

6. Trustee Madison and Gertie Bybee reported that Lionel Howell's chickens are still out. Mr. Cassady said he would speak to him again.

7. Clerk distributed copies of occupational licenses which have been paid. Chairman Smith asked that names be turned in to the Clerk so notices can be mailed to those not paying.

8. Chairman Smith and Trustee Powell reported they had been with the light men to decide where to place the street light near Bill Marr's. It will be placed so it will light both 101 and Cave Steet. This is to be done as soon as possible. Also, the light company will give us a report on the vapor lights.

9. Under new business Trustee Madison said some gravel is needed in front of the Veterinary Clinic. Mr. Cassady suggested that we get a load of black top when possible and fill up these holes. Trustee Jordan reminded the members to be on the lookout for holes in the streets when the weather stops freezing.

10. Chairman Smith asked the members to give serious thought to a method of garbage collection.

There being no further business, the meeting was adjourned until the next regularly scheduled meeting the first Wednesday in April, 1960.

These minutes have been written into the records this 8 day of March, 1960
