A citizen had asked the Commission, if they could amend the budget in the Library Department, because they are in the need of some additional funds. \$100.00 or \$200.00, Mayor Gilley said the city paid for the building, that the City pays on the building upkeep, and gives Warren County the \$1200.00 a year, the State also gives grants also for those kinds of issues. Commissioner Pierce feels we should amend the budget and donate \$500.00.
