On account of the numerous complaints coming to the members of the Board from the citizens of the town with reference to disorderdin, and in frokyof, the Beer Taverns, particually on Saturday nights. It is important that you at once notify these beer dealers that the practice of serving the colored race in front part of their places and allow the two races to be served at the same bar, A seperate place for each race must be maintained and order must be kept in both places of serving.

It is the Boards desire to renew your liscence on the first of July and we want to cooperate with you in any way that we can but the citizens of the town , and the tax payers, must be given consideration.

This is given as a warning and if not obeyed at once and a considerable improvement shown on maintaining order, it will become necessary for the Board of Trustees to pass an Ordinance prohibiting the sale of beer after 6 P .
