Minutes of the meeting of the Board of Trustees, September 1, 1953.

The Board met as usual at 7:30 PM, in the Director's Room of the Deposit Bank. After being called to order the following business was transacted:

1. The Clerk was directed to write to Eureka Fire Hose Company and cancel order which was made in May for 500 feet of fire hose.

2. The Clerk was directed to give Clarence Holmes a check for \$10.00 for use of automobile in chasing an escaped prisoner.

3. The Board entered into a discussion about possibly installing street light behind pool rooms and at Cemetary entrance. It was stated that Mr. J. G. Madison was complaining about beer drinkers drinking behind pool rooms and requested a light be installed so as to discourage such goings on, however the Town Marshal stated there was sufficient light behind those places and that he checked every so often to see that everything was in order behind them. As for light at Cemetary, Mr. Britton and some other residents in that vicinity had requested a light be installed as people had been parking and drinking beer near the South entrance. Upon the recommendation of the Marshal the installation of a light behind pool rooms was not voted on and because of the Cemetary being outside the City Limits the Board decided not to act on that since those people pay no City tax.

There being no further business the Board adjourned until its next regularly scheduled meeting, the first Tuesday in October.

These minutes have gone into the record books, this 1st day of September, 1953.

Lucian E. Flora,
Clerk.
