The clerk said the insurance company had called her regarding the payment of the city's liability insurance. The company will no longer allow the premiums be paid on a quarterly basis. She also said there weren't enough funds in the general fund to pay it right away. Comm. Bryce ask how she felt was the best way for the city to pay this. She wondered if Maybe Blake, Hart, Taylor & Wiseman would allow the city to pay it within 30 to 45 days to allow the collection of taxes to start. She called the company and they agreed to wait 30 days from the time the policy went into effect. Comm. Smith presented a motion the city put the insurance into effect and pay the premium in 30 days, seconded by Comm. Bryce. Roll call and vote - Bryce yes, Smith yes, Barrow yes.

With no further business to heard, the meeting was adjourned.
