Minutes of the meeting of the Board of Trustees, Tuesday, September 6, 1955.

The Board as usual met at 7:30 PM in the Director's Room of the Deposit Bank with all members present except Mrs. Stone and the following business transacted:

1. Misses Jessie and Frances Allen appeared before the Board regarding possible purchase of an alley adjoining their property, extending from Main Street to an alley at the rear of their property. The Misses Allen stated that this alley came practically up to their house but was never used by anyone, that they had kept it mowed as if it were their lawn. After a discussion as to whether the alley could be sold, etc., it was stated by Chairman Melton that according to a ruling of the Attorney General of the Commonwealth of Kentucky the City could sell alleyways which were no longer used.

Upon a motion of Mrs. Crump, seconded Mr. Denton, the Board of Trustees hereby agrees to sell said alley to Misses Jessie and Frances Allen for \$100.00. There were no dissenting votes. The Misses Allen agreed to the price of \$100.00 and the Clerk was directed to secure deed from Mrs. Stone for an alley which the City sold to Mr. Stone and use it as a model from which to draw up a Deed for this alley.

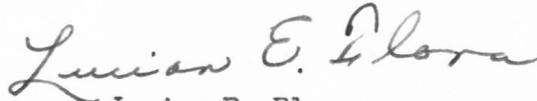

2. The Clerk presented financial report of City and Cemetery. Clerk was directed to write to Mr. F. B. Hardy regarding past due Cemetery accounts.

3. After a discussion of possible costs of paving Broadway from curb to curb it was decided that residents of said Street would have to raise \$1,000.00 as their share of same. The City would meet the other \$1,000.00. Cost to residents approximately .375 per running frontage foot.

4. Mr. W. H. Meredith, as a representative of the Lion's Club Civic improvement committee, appeared before the Board with proposed improvements in the City. He presented schedule of planned street markers and house numbering system. After a short discussion the Board invited him to present the proposal as soon as it was completed.

There being no further business to be taken up at this time the Board adjourned until its next regularly scheduled meeting the first Tuesday in October.

These minutes have been written into the records this 6th day of September, 1955.

Lucian E. Flora,
Clerk.
