Cemetery -

Cemetery - Control and Management of. Where a Town owns a cemetery it shall be under the control and management of the Board of Trustees, they shall fix the price at which lots shall be sold, and make deeds thereto, a receipt from the treasurer of the town shall be evidence of title.

This change in price has been made in order for the Town of Smiths Grove to provide a suitable resting place for the loved ones that have passed on and for those of us that hope to make use of the facilities in the future. We feel that we should have a cemetery that we can be proud of and that this change in price shall help provide such a cemetery and will not provoke a hardship on any one.
