

**RESOLUTION NUMBER 6-12**  
**SMITHS GROVE, KENTUCKY CITY COMMISSION**  
*“A Moral Challenge” Win The War! Against Violence*

A Violence Prevention Educational Public Awareness Community Campaign in targeted to Kentucky's youth.

This campaign encourages and challenges all Kentuckians to Voluntarily reduce violence by 10 Percent in 2012 within the state. This Campaign is an active attempt to reverse some negative trends of violence in Kentucky. It is an effort which all Kentuckians can participate in, and all will benefit from. The Campaign's special focus is on Kentucky's Youth. This campaign educational only, is not political, financial, religious or judgmental. It also does not require any legislation or state funding.

**Whereas**, Win The War! Against Violence, a Lexington, Kentucky non-profit organization and Public Charity, has announced “A Moral Challenge” Win The War! Against Violence - The 2012 Ten Percent Challenge in Kentucky to facilitate a reduction of all unjustified violence within our Commonwealth.

**Whereas**, Win The War! Against Violence - The 2012 Ten Percent Challenge is a violence reduction and prevention educational awareness campaign to challenge and encourage all people in Smiths Grove, Kentucky to reduce the number of violence victimizations in the City ten percent in 2012.

**Whereas**, this Campaign is most especially targeted to the youths of Kentucky.

**Whereas**, violence negatively affects everyone in our city and Kentucky regardless of their position or beliefs.

**Whereas**, violence in Kentucky remains at an unacceptably high level.

**Whereas**, violence reduces the quality of life for victim of violence in our city and in Kentucky.

**Whereas**, violence interferes with a student's education in our city and Kentucky and interferes with educator's ability to teach.

**Whereas**, violence creates unnecessary costs to individuals and businesses within Kentucky.

**Whereas**, violence creates unnecessary costs to our city and to Kentucky.

**Whereas**, when Kentucky makes progress in reducing violence it will become even more attractive to new businesses and visitors.

**Whereas**, all of the 4.3 Million people Kentucky would in some way benefit from a ten percent reduction in violence in 2012 most especially its 1 Million children which is 23 percent of Kentucky's population.

**NOW, THEREFORE**, the City of Smiths Grove, Kentucky, Resolves this 22<sup>nd</sup> day of October to Win The War! Against Violence - The 2012 Ten Percent Challenge Day in our city.
