

RESOLUTION NUMBER 7-11
SMITHS GROVE, KENTUCKY CITY COMMISSION
Barren River Regional Hazard Mitigation Plan Update

WHEREAS, certain areas of the City of Smiths Grove, Kentucky are subject to periodic flooding, tornados, severe winter storms, severe thunderstorms, and other natural hazards that have potential to cause damages to people and properties within the area; and

WHEREAS, the City of Smiths Grove desires to prepare and mitigate for such natural hazards; and

WHEREAS, under the Disaster Mitigation Act of 2000, the United States Federal Emergency Management Agency (FEMA) requires that local jurisdictions have in place a FEMA-approved Hazard Mitigation Plan as a condition of receipt of certain future Federal mitigation funding after November 1, 2004; and

WHEREAS, the Barren River Regional Hazard Mitigation Plan was developed in accordance with the regulations of the Disaster Mitigation Act of 2000 and the guidance provided by the Federal Emergency Management Agency; and

WHEREAS, to assist cities and counties in meeting this requirement, the Barren River Area Development District has facilitated the development of a multi-jurisdictional Hazard Mitigation Plan covering member jurisdictions of the Barren River Region including the City of Smiths Grove, Kentucky; and

WHEREAS, the City of Smiths Grove has participated in the Hazard Mitigation Planning Process:

NOW, therefore, be it resolved that the Smiths Grove City Commission hereby:

1. Adopts the Barren River Regional Hazard Mitigation Plan as the official Hazard Mitigation plan of the City of Smiths Grove, Kentucky; and
2. Vests the Barren River Area Development District with the responsibility, authority and the means to:
 - a. Inform all concerned parties of this action.
 - b. Develop an addendum to this Hazard Mitigation Plan if the jurisdiction's unique situation warrants such an addendum.
3. Appoints the Barren River Regional Mitigation Council to assure that the Hazard Mitigation Plan be reviewed according to the Plan Maintenance Procedures in section 3.5 of the plan and that any needed adjustment to the plan be developed and presented to the Warren County Local Mitigation Committee and to the Smiths Grove City Commission for consideration.
4. Agrees to consider any other official actions as may be reasonable necessary to carry out the objectives of the Barren River Regional Hazard Mitigation Plan for the City of Smiths Grove, Kentucky.
