Route

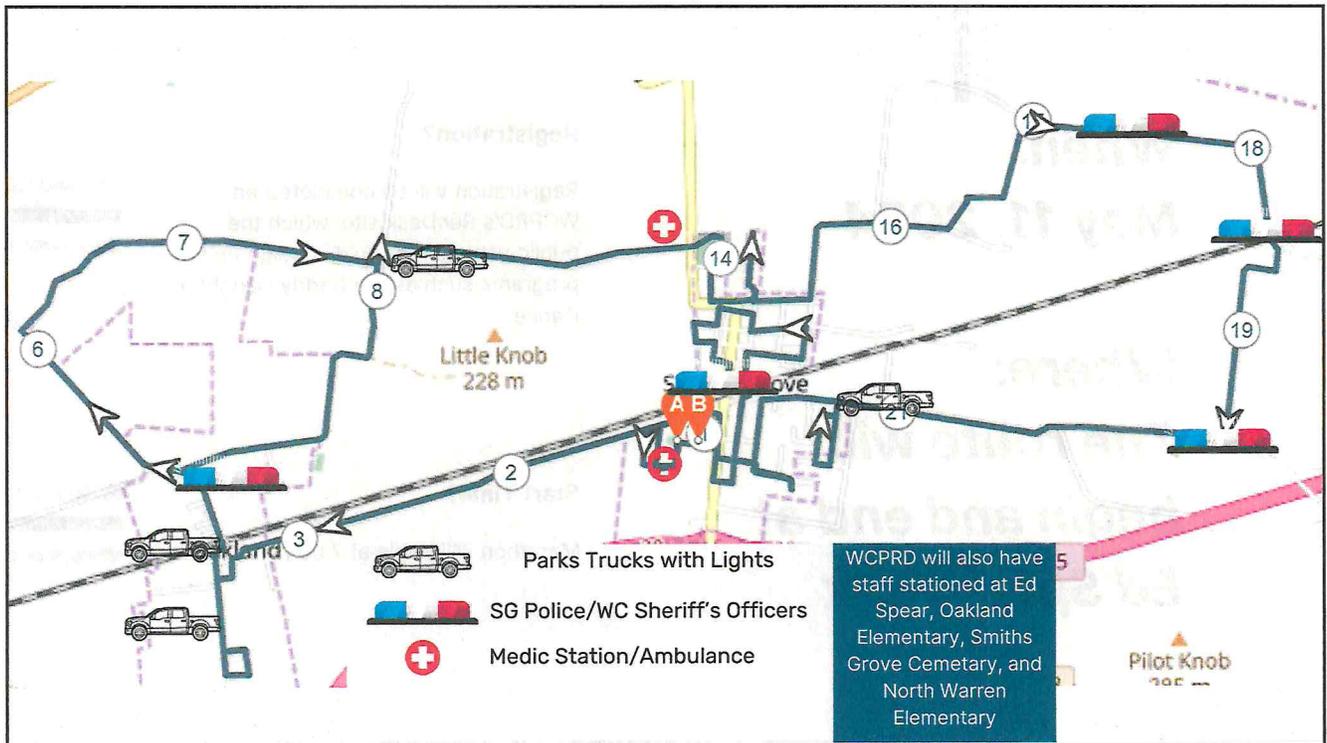

(Please see handouts or large map provided by Planning and Zoning)

We will not be shutting down any roads. We will cone off some sections that need a running lane, however we are just urging citizens to be cautious while out on the morning of 5/11.

All signage, flags, etc. will not be on private property. We will work closely with the city to ensure this.

We will use spray paint on the roads to mark the route, volunteers/sponsors will be shown exact locations to be stationed at.

4

DISPLAY BOARDS

We will be working with Stormwater to put up display boards 2 weeks before to remind people of the event

5

MILE SPONSORS

There will be mile sponsors for each mile of the marathon. See handouts.

These mile sponsors will be responsible for any water/snack stations within that mile. They can also be the hype for that mile. They are responsible for cleaning up that mile to make sure we leave every road as good or better than we found it. Parks trucks will come after the race and collect the bagged trash that the volunteers left.

6

Price

The race will be \$75. This pricing will go towards paying for their shirt/medal as well as other promotional items.

Each runner will receive a shirt

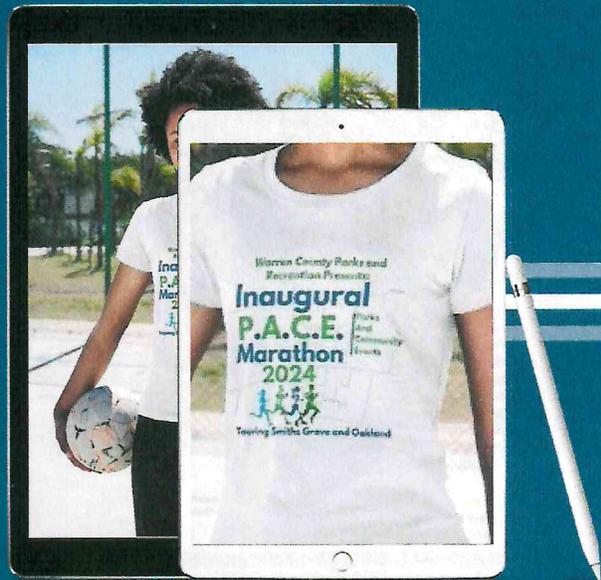

Each finisher of the Marathon will receive a medal that will be unique to this race and community.

There will also be a Premiere Medal for the top 3 finishers in each age group

EXAMPLE SHIRT

8

Ed Spear Park

Due to Ed Spear being the starting and ending point, we will have a DJ set up and snacks for the runners post race.

We also will have a dedicated ambulance that will be stationed at Ed Spear for the Event

9

PACKET PICKUP FRIDAY MAY 10TH

The night before the race will be when the runners pick up their packets. These packets will include their shirt, race number, and any promotional items from any/all mile sponsors. These pickups will be at the Smiths Grove Library Branch.

We also would like to host a Block Party at Smiths Grove on this night. Live music, rec games, etc. to welcome people to the town of Smiths Grove as well as having a fun event for the citizens of Smiths Grove and Oakland.
