

# "BE A PART OF THE PARK"

Adjacent to the Municipal Building will be a small, relaxing, park-like setting for you and your family to enjoy.

In an effort to raise funds to purchase landscaping, hardscape, benches, etc., you may purchase an engraved brick paver with your name, your child's name, or your business name. These engraved bricks will be placed in the walk area of the Park for all to see for generations to come! Cost for each brick paver is \$50.00. Please fill out the form below and mail it or take it to City hall with your check for \$50. If mailed please send to:
