She up to this point the response for donations had been tremendous. This program also exists at Bristow and Oakland Elementary. The grants for these programs will be issued again June 8th if they are to continue, and Mrs. James asked if the commission would care to write a letter to the director of the program in Frankfort endorsing the program. #### 6. Other

Mr. Pierce, Fire Chief of the rural Fire Department had come to the meeting to discuss the fence that Don Maynard had erected in the alley behind his establishment, but had to be excused because of a fire run. Mrs. Pierce asked Mayor Gilley to continue this complaint on Mr. Pierce's behalf. Mayor Gilley said he had talked with the city attorney regarding this fence and the attorney said if it had been an open alley of record, whether it appeared on Mr. Maynard's deed or

not, it could not be closed. The fire chief had talked with Mr. Maynard about the fact that if there was a fire at his establishment, the fire department couldn't get behind the building to fight the fire. Mr. Maynard had informed Mr. Pierce that that was the fire departments problem. The police chief felt a court order could be obtained to have it opened. Comm. Belcher suggested the city write Mr. Maynard a letter opposing the fence and the closing of the alley.

With no further business to be presented a motion to adjourn was heard.
