Willie, Brentwood, Tennessee; John Wile, Louisville, Ky.; Belvin Tharp, Campbellville, Kentucky; Gillespie Construction, Nashville, Tennessee; Hobson Roberts, Bowling Green, Kentucky; Laytart Construction Company, Lexington, Kentucky.

Low bidders were: Contract #1, Hobson Roberts \$115,972.46, #2, Universal Tank and Iron, \$27,920.00, #3, Belvin Tharp, \$105,854.45 less alternate #1 of \$800.

The Board of Trustees and the Engineers were well pleased with the interest shown.

Call meeting of the Board of Trustees, January 19, 1966

Chairman T. C. Melton turned the meeting over to Trustee Rasdall.

Mr. Rasdall reported that he, Attorney English and Engineer Lyon had been to Atlanta to confer with the Housing and Home Finance Agency regarding the contractors. The low bidders were satisfactory with the lending agency. Mr. Rasdall brought the board up to date on all phases of the progress being made. Due to the fact that the option on the water system expires February 1, it was the consensus of the Board that a letter be written to the Housing and Home Finance Agency requesting permission to award the contracts to the lowest bidders. Clerk was asked to write the letter the next day.

Called meeting of the Board of Trustees, January 29, 1966.
