

CITY OF SMITHS GROVE
SMITHS GROVE, KY. 42171

Minutes of the meeting of the Board of Trustees;

The Board met in regular session on May 4 at the American National Bank and Trust Company with all members present.

A discussion was held on conditions at the cemetery. It was the general opinion that Marshall is not doing a good job. The Board gave Joe Lowe authority to talk to Marshall and offer him \$20 for digging a grave and hire some one else to do the mowing. It was noted that a general cleaning needs to be done before Memorial Day.

2. A discussion was held on the night watchman. All agreed that he is doing very little but it was the consensus that we need some one and he is the only one available at the price we pay. Bill Powell agreed to talk to him and tell him he would have to do better or be replaced.
3. Candidate Wendell Ford had sent word that he would meet with the Board at 10:30 AM on Thursday, May 6. All members were urged to be present.
4. Chairman Melton is of the opinion we definitely will get the completed innerchange here. He plans to get a commitment from each candidate.
5. Trustee Powell discussed the bills for the hook-ons on the East Side. The Board was of the opinion the bills as submitted are correct. Mr. Powell will talk to the customers and have Mr. Blue rebill them.

There being no further business, the meeting adjourned until the next regularly scheduled meeting.
