

SPECIAL CALL CITY COMMISSION MEETING  
TUESDAY NOVEMBER 13,2001  
CITY HALL

Mayor McCay called the meeting to order at 7:00p.m. with all commissioners in attendance.

AGENDA

Sidewalk Discussion:

Mr. Raymond Hagan was in attendance to answer concerns the commission has regarding the sidewalks being constructed. Commissioner Martin read a list of items she is concerned with. Mayor McCay discussed concerns he has about the handicap ramps and also the sidewalks in front of the Whittle and Wingfield property. Commissioner Martin had a sample of concrete that had crumbled. Mr. Hagan stated he would speak with Bowling Green Concrete where the concrete was purchased. Mr. Hagan stated that the sidewalks had been constructed per Commissioner Cooke's instructions. He said he met with Commissioner Cooke every morning and asked for comments and instructions. Mayor McCay asked that Commissioner Cooke and Mr. Hagan contact the homeowners that had problems and then report back to the commission. Mr. Hagan stated that this is the worst possible time to be laying concrete because of the difference in temperature between morning and afternoon. Mayor McCay said that the city would go ahead and pay the bill submitted by Mr. Hagan less 10% per agreement. The meeting was adjourned at 8:30p.m.
