

CITY OF SMITHS GROVE
SMITHS GROVE, KENTUCKY

Minutes of the meeting of the Board of Trustees, Wednesday, September 2, 1964.

The Board met at the McGuffey Insurance Agency with one member, Trustee Bill Powell absent.

Minutes of the previous meeting were read and approved.

2. The Hardy account now stands at \$360. The Cemetery account has a balance of 1007.97. The City account is \$6491.05 and the fire truck fund is \$79.58. Clerk reported a recent payment on the fire truck note of \$1800 including interest. The balance now due on the fire truck is \$4934.93.

3. A discussion was held as to the manner in which the final collections should be made for the retirement of the fire truck note. It was decided to collect the total amount of tax due for that year and if there is a balance, then this would be placed in a maintenance fund for the fire truck.

4. Judge Keener was present and submitted his report. He had levied a fine of \$16.50 on James Whittle for reckless driving. A truck driver was fined \$15.50 for improper cab card. Judge Keener is holding a Western Union Money Order in the amount of \$500 which represents the maximum fine for overloading. A State employee of the Highway Dept. had brought W. M. Pliss to him with an overloaded truck. It was the opinion of all members that this matter should be cleared with an attorney. Mr. Pliss is to return for a hearing.

5. During the recent windstorm, a large limb was blown on the fire station with minor damage. There has never been any insurance on this building. Clerk is to ask for a rate of insurance on this building.

6. All members were in agreement with Mr. Bevarly to erect stop signs on all side streets. Chairman Bevarly will check on this project.

7. After volunteering for the job of stenciling the street markers, the Boy Scouts never completed the work. Chairman Bevarly is to get someone to do this work.

8. Duncan Greene has asked permission to remove a tree from the Allen cemetery lot. Trustee Joe Lowe made a motion that he be allowed to remove this tree without any cost to the city. Trustee Frank Jordan seconded the motion. There were no dissenting votes.

9. Letters have been received from the Telephone Company and the L & N but no progress has been made on the telephone system or the L & N crossings.

There being no further business the meeting was adjourned until the next regularly scheduled meeting.

Gertie Bybee, Clerk

Carrolls S. Bevarly, Chairman
